

Intrebari pentru interviu

W&T

Voi scrie un numar de intrebari uzuale care sunt puse la interviul pentru o viza J1 la ambasada SUA. Acest mic “ghid” nu dorește a fi un indrumar complet si nici nu reprezinta cheia succesului la interviu. In plus, desi este foarte probabil ca subiectele abordate in timpul interviului sa fie apropiate sau chiar identice cu cele propuse de mine, trebuie sa fiti constienti de posibilitatile multiple in care este formulata intrebarea. In consecinta, e foarte probabil ca intrebarea pusa de interviator sa “sune” diferit, dar in fond sa fie despre acelasi subiect. Intrebarile de mai jos au scopul de a va familiariza cu subiectele aduse in discutie de interviator si nu de a va oferi cu exactitate intrebarea si raspunsul.
